8) PLANNING APPLICATIONS

2026/0541/HOU 4 Thornleigh Drive, Burton-in-Kendal, L
Proposed front and rear extensions including at first floor level with raised roof and detached double garage.

Following discussion it was agreed that Burton-in-Kendal Parish Council objects to the application.

Summary of Reasons for Objection:

The proposed development is out of character with the established form and scale of properties on Thornleigh Drive.

The design and materials are non-vernacular and do not reflect the local architectural style.

The height and massing of the extension would create an overbearing impact on neighbouring properties, resulting in harm to residential amenity.

The Council requests that the Local Planning Authority refuses the application.
