3) MINUTES OF THE LAST PARISH COUNCIL MEETING HELD

The previous minutes were approved and will be signed by the Chairman.

4) RECEIVE ANNOUNCEMENTS FROM CHAIRMAN

The chairman informed the Council that the Clerk was looking into have Parish Council emails for all Councillors rather than use personal emails. This will be on the July agenda. Still no Police reports being received, the Clerk will again request that monthly updates are sent prior to meetings.

5) OPEN FORUM

A letter has been received from a resident of Boon Town regarding the new development and issues with the contractors and parking. Various points were raised in the letter and the Clerk will respond. However it was also reported that a meeting has been arranged with the contractor and residents to help resolve the issues.

A letter from a resident of The Square has been received requesting an update on the site meeting held in The Square as well as parking issues in the village. The Clerk will respond accordingly and the update will be discussed in Agenda Item 12 (2).

6) RECEIVE REPORTS FROM COUNTY & DISTRICT COUNCILLORS

Report from County & District Councillor Bingham was received and circulated to Councillors and Press prior to the meeting.

They think it's all over"-no I'm not referring to the Euro football World Cup but to COVID. A month ago-it was reported by the County's Health Chief Officer Colin Cox that Cumbria had recently suffered no COVID deaths. Now the grim mortality tables have been turned -yet again. In the first half of June there were 77 new cases in the County. The greatest number were in Eden, once the 'safest' district. Even so all Cumbrian districts were below the averages for vulnerable areas especially the Lancashire Districts around Blackburn which are only 50 miles from us. 19 COVID patients admitted to Carlisle hospitals and there were no new cases admitted to Lancaster, RLI or the other Morecambe Bay hospitals.

To politically minded people the biggest news for many years concerns the changes on constituency boundaries. Apparently Cumbria's require six MPs are too many for our

population while expanding areas mainly in the south –east require more representatives. Thus our current Westmorland and Lonsdale Constituency is to be broken up. In particular our immediate area is to become part of 'Morecambe and South Lakeland'. This will include Morecambe, Carnforth and our immediate Lancashire villages like Warton and in South Westmorland our current Lower Kentdale Division as far as Preston Richard, Milnthorpe and Arnside and the Lyth Valley villages like Levens. BUT Bowness and Windermere will become part of Copeland –so irrespective of the Lakes and Mountains in between Windermere will be linked to Whitehaven. Kendal, Kirkby Lonsdale and points north will form another Constituency of Westmorland and Eden as far as Penrith. North Eden will form part of Carlisle. The proposals for our area may bring nearer the prospect of our joining a Unitary Morecambe Bay Authority which so far has been discounted by many authorities. Please what do you think?

Meanwhile normal business continues. I have had complaints about the temporary closure because of infra-structure repairs to the public car-park on Boon Town and was told it would only be for 'a few days'. At the same time several people have contacted me about the MUGA –recreation area. I intend to give the MUGA a grant. On highways I am pleased that Vicarage Close has been 'patched' and that a phase three of the flood work is soon to be implemented.

17 March 2022**	Parish Council Meeting	

It was agreed that the usual 7pm attendance by a Councillor will not continue as the Clerk and other Councillors are available to contact at any time by telephone or email for residents unable to attend the meetings.

9) TO DISCUSS SUGGESTIONS & IDEAS FOR LOCAL TEENAGERS

Discussions took place following a recent request from teenagers of the village for a skate park or similar. As the Parish Council do not own any land that a skate park could be installed this idea needs to have a lot of thought. It was agreed that Cllr Wren would look into costs and implications for a skate ramp being installed at Boon Town Playground and this would be discussed further when more information has been obtained.

10) PARKING

Lengthy discussion took place regarding parking in Burton-in-Kendal. It was agreed that there is no easy solution. Different options were discussed including the Park Share Scheme where residents, with unused parking, rent space to vehicle owners. It was agreed that the Parish Council would request expressions of interest both from car owners wanting parking and residents with space. The PC would then help facilitate the scheme. The second option would be to ask Cumbria Highways to come and do a survey of possible roadside parking and kerb drops.

This item will be back on the July agenda for further discussion.
